

## *My Super Sweet Sixteenth Century*

On the precipice of her sixteenth birthday, the last thing lone wolf Cat Crawford wants is an extravagant gala thrown by her bubbly stepmother and well-meaning father. So even though Cat knows the family's trip to Florence, Italy, is a peace offering, she embraces the magical city and all it offers. But when her curiosity leads her to an unusual gypsy tent, she exits . . . right into Renaissance *Firenze*.

Thrust into the sixteenth century armed with only a backpack full of contraband future items, Cat joins up with her ancestors, the sweet Alessandra and protective Cipriano, and soon falls for the gorgeous aspiring artist Lorenzo. But when the much-older Niccolo starts sniffing around, Cat realizes that an unwanted birthday party is nothing compared to an unwanted suitor full of creepastic *amore*.

Can she find her way back to modern times before her Italian adventure turns into an Italian forever?

## Rachel Harris

As a teen, Rachel Harris threw raging parties that shook her parents' walls and created embarrassing fodder for future YA novels. As an adult, she reads and writes obsessively, rehashes said embarrassing fodder, and dreams up characters who become her imaginary friends.

When she's not typing furiously or flipping pages in an enthralling romance, you can find her homeschooling her two beautiful princesses, hanging out with her amazing husband, or taking a hot bubble bath...next to a pile of chocolate.

MY SUPER SWEET SIXTEENTH CENTURY is her debut novel. She **did** have her own fabulous Sweet Sixteen in high school. Sadly, it wasn't televised.
